Weapon Safety and Storage Rules:

- All weapons entering the University Police facility must be in a case (soft or hard-sided). Firearms shall only be removed from the case for the purpose of placement into a storage locker.
- All weapons must be unloaded prior to arrival at University of Nebraska Lincoln Police Department and remain unloaded while on property including the storage area.
- All ammunition must be kept in a separate container.
- The storage room is for weapon storage only while on campus. No cleaning, maintenance or dismantling of weapons is permitted.
- Once checked out of the storage area, all firearms must be taken off campus property directly.
- All firearms in the University of Nebraska Lincoln Police Department storage area are checked through criminal justice databases.
- Race and ethnicity is self-reported for criminal justice database searches.
- Arrows must be stored in quivers and accessories in a sturdy box or padded bag (applies to bow and arrows only).
- Weapon owners must provide an NU ID to store or check out weapons.
