

SAFETY MESSAGE

Dear Campus Community,

The following information is being shared to enhance your personal safety at the University of Nebraska-Lincoln. The goal is to provide information so the UNL community has awareness of the situation and can take precautions for their own safety, as well as to encourage reporting of similar situations to the University of Nebraska-Lincoln Police. Information reported in this message is based on the situation as currently known to UNLPD.

UNLPD is investigating three reported incidents of a male exposing his genitals. The incidents were reported to have happened on Saturday, August 15 and Wednesday, August 26 on the UNL campus.

The suspect is described as male with medium complexion, 5' 8" to 5' 10" tall, long dark hair, sometimes pulled into a ponytail and was also seen riding a bicycle.

The incidents all occurred between 11p.m. and midnight. The third incident was reported-second hand to UNLPD so specific information was not available but it may be related based on a limited physical description.

The locations of the indecent exposures have been on the north side of Love Library and outside Abel Hall.

UNLPD has developed a possible suspect in two of those incidents and is attempting to confirm the identity and possible involvement. Because of limited information available, it may be possible more than one suspect is involved.

Related UNLPD Case Number: 20002325 and 20002490.

Crime prevention and awareness, as well as consistent reporting, may be the strongest defenses against becoming a victim. Please call UNLPD immediately at 402-472-2222 (2-2222 on campus) to report information on this incident, or 9-1-1 for any crime or suspicious activity or person.

While on campus, UNLPD's [Husker Safe Walk](#) will provide a walking escort upon request.

If you have any questions about this message, please contact the UNLPD at the phone number above or email unl.police@unl.edu.
