## ***Personal Safety Tips***

- Always trust your instincts, and if you feel unsafe in any situation, get to a safe place and call for help.
- If you are approached by someone demanding your property, whether they have a weapon or claim to have one, it is recommended that you comply with the request and not resist. Give the criminal what they ask for (wallet, keys, jewelry, credit cards, etc.). Your life is more valuable than replaceable possessions.

- Do not make any sudden moves or try to apprehend the criminal yourself. Concentrate on remembering description and call police immediately.
